

## How to Use the New Access Procedures for ICE Detention Facilities

Lutheran Immigration and Refugee Service (LIRS) is pleased to provide the new procedures released from Immigration and Customs Enforcement (ICE). The new procedures represent a great victory for LIRS and colleague organizations who advocated for increased access.

The new procedures create a national standardized request process for tours and visitation at any ICE detention facility. Facilities will now post sign-up sheets provided by visitation groups, enabling individuals in detention to request a visit more easily and frequently.

Compassionate visits by volunteers, legal service providers and other stakeholders make a tremendous difference in the well-being of people detained. A listening ear brings humanity into one of the most isolating circumstances a person can face.

## Guidance on Access Procedures

### **Allow Plenty of Time**

If you are requesting a tour or visit in the near future, it is advised to send a letter well before the 14-day guideline. Err on the side of caution and be patient as the new procedures are implemented.

### **Be Thorough**

Write a thorough access request letter and properly complete all attachments. Use the letterhead of your organization if available. Include every detail required and send all pieces of the request at once. Do not send parts separately.

### **Follow up**

Confirm your initial request has been received. If you do not get a notice of receipt within one week of submission, follow up to ask if the request was received.

### **Share Your Experience**

Tell LIRS how the new procedures are working. Let us know your successes, as well as any concerns. Your experience will encourage and inform other visitors. Your feedback is extremely helpful for ongoing advocacy.

### **Stakeholder Procedures for Requesting a Detention Facility Tour and/or Visitation**

When requesting a Detention Facility Tour, Visitation, or Tour with Visitation, you should provide a written request to the Enforcement and Removal Operations (ERO) Field Office Director (FOD) or his or her designee, or the ICE Office of State, Local, and Tribal Coordination (OSLTC), division of Public Engagement, at least fourteen (14) days in advance of the requested tour/visit.

The written request on your organization's letterhead may be received and responded to by electronic mail or regular mail. The request should include:

- (a) the type of request:
  - (i) Detention facility tour (tour);
  - (ii) Stakeholder visitation with detainees; or
  - (iii) Detention facility tour *and* visitation with detainees.
- (b) the purpose of the stakeholder: tour, visit, or tour and visitation;
- (c) at least three (3) proposed dates and desired times for the tour/visit;
- (d) the background information required by the ICE detention standards governing the facility;
- (e) a completed ICE Stakeholder Tour/Visit Notification Flyer;
- (f) an ICE Sign Up Sheet;
- (g) a signed ICE Stakeholder Visitor Code of Conduct form for each stakeholder participant; and
- (h) a copy of the stakeholder consent form for review by the field office (Note: It is your responsibility, not the facility or field office, to provide consent forms to detainees to inform them about how you may use or share information he/she provides.)

When requesting visitation or a tour with visitation, you may pre-identify any detainee with whom you may wish to speak by providing ICE with a list of specific detainees in advance. This pre-identification shall include: a) the detainee's full name and b) the last three (3) digits of the A-number (when available).

**Please note you are not required to pre-identify a detainee(s) with whom you may wish to meet during your tour and/or visit.**

In order to meet with detainees who have not been pre-identified, you must provide a sign-up sheet to the field office, which will be posted alongside the Stakeholder Visitation Notification Flyer at least 48 hours in advance of the visit.
