

Preparing to Host a Know Your Rights Session

Planning ahead will help your volunteers provide the best possible experience for members and guests who attend the Be Not Afraid sessions you host. If you have any questions, please contact LIRS at benotafraid@lirs.org.

About the Know Your Rights Session

Allow 2 hours for the session. You may wish to include additional time for breaks.

Instructions and a script for the session are provided in a PowerPoint presentation. The notes for each slide contains *instructions* about what to do at that point in the session and a *script* (in **bold**) of what to say. For most slides, you will need to click *Enter* or the *forward arrow* (→) for each bullet point to appear. Print the “Notes Pages” version of the presentation to view one slide per page with instructions and script. Please take time to review the script to become comfortable using it. Adjust the wording to suit your personal style, but include all of the content in the script.
